Make reservations in minutes by phone...here's how to use the CONDO RENTALBANK® directory.

1. Consult the CONDO RENTALBANK® Directory. Participating resorts are listed alphabetically by state and city. Each resort listing contains full information on unit types available, resort amenities, and published (rack) rates. Discounts are valid only if your reservations are booked and paid for through the CONDO RENTALBANK® Reservation Department. Do not call resorts directly. Be flexible, select several alternatives.
2. Call our toll-free number. We are open Monday through Friday between 9 a.m. and 5:30 p.m., E.S.T. Discounts are only valid when your reservations are booked and paid for through the Condo Reservation Department.
3. Get same-day confirmation. After you have given us your destination, number of persons in your party, travel dates, and membership ID number, our computer will instantly find all available units that meet your needs. Your reservation will be confirmed at the discount rate based on space availability and has only taken a few minutes - now start packing.
4. Use our full travel agency services. You can drive to many resorts, or we can book airline and car rental reservations for you, too. Your CONDO RENTALBANK® reservationist will provide full computerized travel agency services.
5. Charge your trip to your credit card. With the CONDO RENTALBANK®, payment is simple. Bill your vacation to your Visa, MasterCard, Diners Club, or American Express Card. We will mail you a written reservation confirmation containing all details such as trip itinerary, resort information, check-in/check-out times, directions to your resort, airline tickets, etc.
6. Check in to your resort. Because all reservations confirmed through the CONDO RENTALBANK® are arranged in advance, checking in is as easy as a tropical breeze—just present your written reservation confirmation upon arrival.
